

Home Visit/Student Led CONFERENCE

Summer 2005

Dear Parents/Guardians:

As part of the Intensive Literacy Program, your student's teachers will be visiting your home to share what is happening in the classroom. Through this effort, we hope to strengthen the bonds between school and home. Along with this teacher visit, our hope is to create a time set aside for your student to showcase the hard work they have been doing this summer. They will be showing you work samples and discussing future goals for their continued success.

We would like you to select the best available time to meet for the home visit. We are asking that you select two choices in order of preference. Please circle your preferences and indicate your first choice with a 1, second choice with a 2. If your schedule prohibits you from committing to any of these available times, or you have any other difficulties, please note those items in the comments section. In addition, if your schedule allows for flexibility, would you please note that also.

Thank you,

Your I.L.P. Teachers
